## WALK-A-THON

On Tuesday, September 30 NSER students and staff participated in our walk-a-thon and raised over \$5,000 to support school programs. Although the weather was a bit wet, we finished our 10 km walk in under two hours.

For their fundraising efforts, students were rewarded with a free study block, longer lunch hour, and top fundraisers were given the chance to silly string their favourite staff member. Our Student Council received pies in the face and Mrs. Carney was duct taped to the wall. Also, fundraisers were given Goji coupons and Mrs. Gouchie's class won a Goji party for having the highest fundraising class average. All fundraisers were also entered into a raffle for cash prizes. Thanks to Ms. Graham and Goji's for their support and a BIG thank you to Sheryl Foran and Claudia Bryenton for organizing the BBQ and cooking all those hot dogs. A special thank you to the community for sponsoring our walk-a-thon.

### Special Thanks To Hal Somers and Miramichi Mazda

Mr. Curtis had been looking for a small car for the automotive program at NSER so that he could have a vehicle to train the students with. This vehicle will be used by each of the classes to perform basic maintenance procedures like fluid checks, changing oil, lifting on the hoist or floor jacks, rotating tires, changing tires and balancing, electrical diagnosis, etc. Hal Somers and Miramichi Mazda have graciously donated a 2005 Mazda 3 Sport to be used in this way. We really appreciate Hal's generosity and we will put the car to good use.

## Mi'Kmaq History Month

October is Mi'kmaq History Month! On the afternoon of October 15, the Metepenagiag Education Program will be hosting our 3rd Annual Traditional Mi'kmaq Feast with George Paul as our guest speaker. This year, all grades will be participating so we hope to see you all there. Come and enjoy our great food and rich culture.

## CELL PHONES

Students are permitted to use cell phones while at school, however, they are not to be used during instructional hours. Teachers may confiscate a phone until the end of the day should a student be using them during instructional time.

As parents and guardians, please be aware of this when you are texting them. If it is something they need to know asap then contact the office and we will get the message to them.

## WE SCHOOL UPDATE

NSER We School started off very well this year with 32 excited students from middle school. Their first project was to raise funds for the purchase of T-shirts. We participated in a bottle drive on Saturday September 20 and collected \$1,164 for our cause!

NSER We School will be pre-selling Rafiki Chains in the month of October for a cost of \$10. The money raised will help an African community become self sufficient.

NSER We School has committed to raising \$180 a month to support education in the Lytle Town Orphanage in Haiti. We will be selling carmel cones every Friday for a cost of \$1!

## Chinese Winter Camp

Are you interested in taking an exchange student but don't know if you would really enjoy it? Can't commit to 5 months or a year? Well, we are offering a one week Winter Camp. You will host a grade 10 Chinese student from January 31 to February 7th. There will be a group of Chinese students here for that week to experience New Brunswick and Canadian culture in the winter months. If this is something you would be interested in doing please contact the school within the next two weeks.

## All Doors Locked

All doors at NSER will be locked at 8:30 am. All students and visitors must buzz in after that time. We have a new security system at the front doors. When you arrive at NSER, you will see a silver intercom box on the far left of the main doors. Just press the button and someone will buzz you into the school. There are brief times during the day when there is no one in the office to buzz in. Visitors may want to call ahead.

## Breakfast for Breakfast

Many thanks to the Little Southwest Baptist Church and the Sunny Corner Fire Hall for preparing and serving our Breakfast for Breakfast this past Saturday. This was a huge success with a total of \$1320 raised. This will help us continue to offer a free breakfast for all students here at NSER throughout the year. If you wish to donate to this program, please contact the school.

**Student Forms** - It is very important to have all forms back at the school. These forms include health, leaving school property, etc. These are necessary in case there is ever an emergency we have all the students updated contact information.

As we are well under way here at NSER we've noticed that many students are not keeping up with their academics, whether it's missing assignments, homework not completed, etc. School work is priority one.

Students will not be able to play sports or participate in extra-curricular activities if they cannot keep up on their academics. I have meet with students to discuss what they have owing. As this is a long weekend I would hope that all students get their work done. If you are not sure of where your child is as far as work please contact the school or check the teacher website. All staff have emails and have no problem responding to your requests. I appreciate your support with this initiative.
