

Design a container to protect an egg from breaking in a drop from at least 5m.

RULES:

- 1) Container must be made so that it can be opened and closed to put the egg in and inspect it after dropping.*
- 2) NO parachutes allowed.*
- 3) NO trial drops.*
- 4) ONE class period (Thursday only) allowed to construct.*
- 5) NO restrictions on what can be used.*
- 6) Lowest mass container is the winner.*

Drop will take place Friday!
