

Logan Matchett Empowerment Scholarship

The Logan Matchett Empowerment Scholarship was established by both the community and family of Logan Matchett in 2019. Logan Matchett was a student from North and South Esk Regional High School. Logan had a loving, happy, friendly spirit. He enjoyed participating in team sports and played hockey, soccer and volleyball. He was involved in extra-curricular activities such as being an ambassador as well as being a member of the team that ran the clothing brand "Sea the Right", along with the school drag car team.

Logan accepted everyone as they were and encouraged fellow students and friends to achieve their personal best. He loved to make people smile and did so through sharing his genuine, fun-loving spirit with those around him. Logan was recognized by teachers and adults as being a very polite and respectful individual.

Logan was tragically killed in a car accident in April of 2019.
