

PowerPoint Activity

Choose one of the following topics for your presentation:

1. Life in quarantine
2. A life experience that changed your life and/or your point of view
3. The stress associated with being a student
4. Global Warming
5. A trip of a lifetime

Steps of assignment:

1. Choose to do **ONE** of the topics listed above. This will be your **Title Slide!**
2. Research your topic, **not just your opinion.** Your opinion is important but it must be backed by research.
3. This presentation must have music that plays throughout the slideshow.
4. Make sure that you think about what you learned last assignment about making powerpoint. Be sure to choose colors that contrast and that are easy to read.
5. Please **insert pictures** that pertain to the subject of your presentation!
 - a. Use **clip art or pictures** from the web.
 - b. If you use a picture from the web, please cite it on the last slide of your presentation.
6. Put all links to the websites used for picture and research on the last slide. (**Reference Slide**)
7. **Insert a video** about your topic into your presentation.
8. Your presentation should have a **minimum of 10 slides** (no more than 15). The information on the slides is up to you but be sure that it is factual.
9. Your presentation should have **animations** and **transitions**:
 - a. Use them for effects that you want to stand out.
 - b. Transitions should be used but remember some can be very distracting.

Save the assignment and keep it available in case you need it in the future. This does not have to be completed in one week. Take a couple of weeks to work on this.
