## SPAMALOT

This year's Theatre Arts production is "Spamalot." It is coming along splendidly with everyone working hard on dances, songs, and lines. Spamalot is Broadway's version of Monty Python's "Search for the Holy Grail". The play has many colorful characters, including King Arthur and the Knights of the Round Table, and the beautiful and magnificent Lady of the Lake. Come see such scenes as: The Killer Rabbit, The Black Knight, and the famous debate on whether coconuts migrate. The production will run for three nights June 1, 2, 3 (tentative). Tickets will be on sale starting in early May, \$7 for adults and \$5 for students/children.

## Earth Day

In Grade 7 Science class, students completed a "Fragile Earth" activity to tie in with Earth day, which was April 22. Each pair of students was given an egg to decorate to represent Earth. They then had to clean the egg out by poking holes in the ends and getting rid of the contents. Their next step was to protect their Earth from harm. One student was responsible for the first 24 hours and then the partner had the egg for the next day. One requirement was to keep the Earth visible. Students were unsure about keeping it safe in gym and on the bus but had to try! In class, students reflected on how they kept their Earth from harm, what some of the dangers were and how we can help protect our true fragile Earth.

## KIDSPORT

Have you been cleaning out your basement or garage and don't know what to do with all of the old sports equipment? Before throwing it out, realize that many children are unable to afford the cost of registration and equipment for sports. Kidsport Miramichi will be hosting a sports equipment drive. By donating your old equipment, you may help a child have access to the sport they love. For more information on Kidsport or the Equipments Drive, please contact Jason Walsh @ 623-2054.

**Summer Sports - Next Allocation is May 31st**

## It's off to work we go!

Co-op applications will be available to Grade 11 students until May 21<sup>st</sup>, 2010. Applicants who wish to participate in co-op in semester one or two must complete their applications by this date. Work Placements are competitive and early requests necessary to the success of NSER's co-op program. Therefore, no students will be considered once the deadline is passed.

In addition to the co-op application, students will require two teacher references, and a brief write up discussing why they would like to participate in co-op. Each applicant will be interviewed by Mrs. Hamilton. Selection for this program will be based on completed applications and availability of work placements. Transportation to and from the work placement is the responsibility of the student. Should you have any questions, please contact Mrs. Hamilton.

## FORUM - For Young Canadians

You will spend one week in Ottawa experiencing how decisions are made nationally in Canada and sharing your voice.

Please see Mr. Holmes if you are interested in applying.

## NSER Safe Grad - Spring Workday

From April 24th to May 8th NSER Safe Grad will participate in a spring fundraiser. Safe Grad members will offer their services as a *personal assistant* to someone in the community for a minimum of 2 hours. During these 2 hours, students could rake lawns, pile wood, houseclean, wash cars, etc. The fee charged will be a donation (minimum \$20) to NSER Safe Grad. Please feel free to contact the school for more information 836-7000
