## BENEFIT CONCERT FOR JAPAN

The Interact\* Clubs of James M. Hill High School and Miramichi Valley High School cordially invite you to our ***"We Are The Change" charity benefit for Japan.*** This will take place on Thursday, April 14th at 6:30 PM at the James M. Hill Theatre. This benefit concert will be a collaborative effort between the two high school groups to raise funds for assistance to the people of Japan. The program will include a variety of performances by local groups and artists. It will include an informative and educational presentation on the country of Japan, focusing on the earthquake and tsunami.

Admission is by a goodwill donation. A silent auction and gift basket raffle will be held prior to and throughout the concert. Direct donation to selected humanitarian relief agencies will be available for larger donations and charitable receipts.

If you wish to make a financial contribution prior to the event, or contribute an item towards the silent auction, please contact Stephanie Foley or Brett Cameron. We will arrange to pick up your contribution from your place of business. Alternatively, these can be dropped off at the main office of either high school.

We would be pleased if you could join us to help those in need.
