DAY ♥

PARENT INFORMATION SESSION

There will be an information gathering session on Thursday, February 15th at 6:30 pm in NSEE's library.

We want to have an open forum with parents to discuss moving Grade 6 from NSEE to NSER.

This has been a discussion in the community for many years and with all the changes in the district we want to explore this possibility. I look forward to meeting with you, answering questions and addressing your concerns.

Dean Mutch, Director of Schools, ASD-N

NEW FURNITURE

NSER is very happy to have our new library furniture as well as new seating in the lobby.

Once again a special thank you to all of those who donated to our Walk-A-Thon in the fall as the money raised was used to purchase this new furniture.

North & South Esk Regional February 2018

NSER Mission: It is the mission of NSER to support and challenge students to meet and exceed their potential.

NSER Vision: NSER's number one priority is the intellectual development of its students and also giving priority to social, emotional and physical development.

#BellLetsTalk

Bell Let's Talk is an annual charitable program dedicated to the promotion and support of mental health across Canada. Since 2010, Bell has committed to donate at least \$100 million to support a wide range of mental health organizations, large and small, from coast to coast focusing on anti-stigma, care and access, workplace mental health and research.

Each year NSER supports Bell Let's Talk and this year the students marked this event on Friday, February 2. Students were treated to hot chocolate and donuts and were asked to write messages of encouragement to their classmates as a way of starting off the semester on a positive note. These messages were posted around the school's lobby for all students to read:

"Just because mental health is a touchy subject doesn't mean it shouldn't be touched."

"When 'I' turns to 'we' illness becomes wellness."

"Stay positive and happy, work hard and don't give up hope. Be open to criticism and keep learning. Surround yourself with happy, warm and genuine people!"

Thank you to all of our students for supporting Bell Let's Talk and for continuing to help spread the word about important issues.

GRADUATION TIME - Graduation is just around the corner and with the excitement of this time of year, comes several expenses. It is best to start thinking about these expenses now and to pay a little bit at a time, rather than a large sum later on. Some examples of costs include Prom tickets, Graduation photos, Graduation rings, as well as fees associated with post-secondary education costs. Grad fees (\$75.00), used to cover such costs as Graduation hats and diploma jackets, are due now and can be paid at the NSER office.

Congratulations to Darcy Augustine, a Grade 10 student, who has been selected to attend the RCMP Academy in Regina, Saskatchewan, from February 5th to 9th. While in Regina, Darcy will have an opportunity to participate in a wide variety of activities, from police training classes, to police driver training and the firearms range. We wish Darcy luck this week and are proud of his selection for this activity!

thank
YOU

A huge thank you is extended to all the supporters of our 8th Carlee Carney Memorial Hockey Tournament. We appreciate all the parents and siblings who helped with 50/50 (braving the weather this weekend). To the loyal fans (cheering and roaring) and all our fabulous community support, we thank you. Our Cobra boys and girls are awesome!

The exciting triple overtime for our boys against Samuel De Champlain left everyone on the edge of their seats! What an amazing finish.... one for the memory book for sure! Also, we would like to congratulate Camryn Tozer Grade 6 NSEE student for winning 2018 Carlee's Hockey Award, which sends her to UPEI Allan Andrews hockey school for 1 week this summer free of charge. This was donated by Allan and his wife Lois Andrews in memory of Carlee.

Also a huge thank you to Betty-Jo Tozer for organizing another successful tournament in memory of Carlee. To the score keepers and clock workers: Justin Matchett and Austin Crosse and music man Joey Blackmore, thank you!
