

Parents/Guardians of NSER

I would like to congratulate students for completing the first two months of school at NSER. With all the COVID-19 measures that have been implemented, it is remarkable regarding student and parent cooperation, and the smooth transition back to in-school learning

The staff of NSER has embraced the 2020-2021 school year with optimism and hope to make the Cobra student experience positive, productive and safe. Your child's education and well-being continues to be extremely important to the staff and administration here at NSER.

Grade 9-12 report cards will be issued on Thursday, November 12th and parent teacher interviews will be Thursday, November 19th from 4:00-6:00 and Friday November 20th from 9:00-12:00

Parent Teacher Interviews for grade 9-12 students will be held this Term by phone appointments only. If you would like to speak to a teacher regarding you student's progress, please call the school at 836-7000 to set up an appointment for them to contact you during the above times.

Thank you

**Mr. Cripps
Principal NSER**

The following information and attachment is from the Department of Education regarding changes to report cards.

Curriculum and Assessment:

The Department of Education and Early Childhood Development (EECD) worked with educators in the summer of 2020 to choose the most important outcomes for learning, knowing teaching would look different this year. Report cards will also reflect some change, with the fall report card going out at the usual time this year. Please see the attached "Reporting and Learning" document(s) and reach out to your child's teacher or principal if you have any questions about the report card.

Social Emotional Learning/ Guidance and Mental Health:

Guidance counsellors are now able to connect with students and families using the secure platform of Microsoft Office Teams. Microsoft Teams opens the possibility for both video and audio connections with students who have an account. Please reach out to your school counsellor for more information.

In addition to what school guidance counsellors offer, the [World of Wisdom](#) platform provides students access to a certified career development practitioner from the New Brunswick Career Development Association (NBCDA). This service is available to virtually support students as they explore their preferred future.
