March 22, 2021

Dear Parents and Guardians:

Between March 22nd and March 29th, 4,500 staff from high schools across the province will receive a COVID-19 vaccination at a clinic in one of 16 locations.

Staff participating in the vaccination roll-out include all those who work in a high-school setting. This includes schools that are K-12, 6-12, or 9-12.

This letter is to inform you that the following schools will be closed **tomorrow, Tuesday, March 23rd**, to allow staff at your child's school to participate in a high-school prioritized clinic in our region.

Schools closed tomorrow are as follows:

- Blackville School
- James M. Hill Memorial High School
- Miramichi Valley High School
- North & South Esk Regional School

Schools will be closed under what is known as an "Operational Response Day". There will be no on-line learning or teaching expectations for our teachers on this day. This will allow sufficient time for all school staff to be vaccinated.

We will continue to update you as more information becomes available, and we thank you for your patience and cooperation as we work through this process.

Sincerely,

Mark Donovan

Anglophone School District - North
