A reminder once again that our school website is updated daily with the morning announcements and classroom news. Parents are encouraged to use the website as information is updated daily.

Message from Mr. Matheson

We are pleased to welcome all our students back after their Christmas holidays and hope that everyone had a pleasant break.

We have two staff changes for this term. Welcome to Jenna O'Keefe who will be replacing Mr. Sonier and teaching post intensive French. Mr. Sonier will be replacing Judy Stewart who is out on deferred leave.

We hope that everyone here at NSER continue to have a great year.

Kirk Matheson, Principal

Grade 9 English Language Arts Provincial

Assessment/ Reassessment

On January 20 and 23, 2012 all grade 9 students will be writing the English Language Provincial Assessment. Students in grades 11 and 12 who were previously unsuccessful on any component are writing on these days. This Provincial Assessment/Reassessment is comprised of three components of varying length: one reading component and two writing components. To graduate with a New Brunswick high school diploma, students must have successful achievement on both the reading and writing components of this assessment. As with any other examination or assessment, we are encouraging our students to do their best on this assessment and to consider the importance of completing all components on the scheduled day. Students who miss any part of the assessment must provide a written medical excuse to the school, and will be expected to complete any missed components as soon as possible. We hope that you take the time to discuss the importance of this assessment with your child and to encourage them to make every effort to be successful. If you have any questions about this assessment, please feel free to contact Miss Murphy or Mrs. Ward-Cain at the school.
