April 2018

NSER SAFE GRAD FUNDRAISER

The Sunny Corner General Store is partnering with NSER to support this year's Safe Grad. From March 19 to May 31 for every litre of gas sold at the Sunny Corner General Store 2¢ will be donated to Safe Grad. What a great way to raise some money for this great cause!

There will be a box set up at the Irving - be sure to put a copy of your receipt in the box so that the total liters can be tallied.

**Buy your gas at Sunny Corner General Store
and support NSER Safe Grad 2018**

NSER Mission: It is the mission of NSER to support and challenge students to meet and exceed their potential.

NSER Vision: NSER's number one priority is the intellectual development of its students and also giving priority to social, emotional and physical development.

NSER Values: The intellectual, emotional, physical, and social needs of each child will be developed to his or her fullest potential. Expectations for students will be age appropriate and pedagogically based. A spirit of cooperation will be fostered among students, staff, and community. All students and staff will show respect for students, staff and the campus. All students will be encouraged and given the opportunity to participate in extra and co-curricular activities. A high moral standard will be exemplified by the staff, and expected of our students.

Stress-Less Wednesday

"Stress-less Wednesdays" at NSER

As part of our ongoing goal to focus on student and staff wellness, NSER hosted its first "Stress-less Wednesday" on March 21st. The purpose of this afternoon was to introduce students to various hobbies and activities that could benefit their overall wellness. Students had the opportunity to participate in various activities, including badminton, painting, knitting, yoga, Indigenous crafts, fly

tying, and woodworking. Most sessions were led by NSER teachers and staff, and this gave the students a chance to see what we do to help with our own stress relief and wellness. On April 4th students will get a chance to participate in a second wellness activity.

Thank You

A HUGE Thank you to the community for supporting our NSER Safe Grad Class of 2018!
Over 200 cold plates sold!

POWER PLAY - Grade 7 - Young Entrepreneurs

On Friday, March 2nd, grade seven students at North and South Esk Regional High School hosted their first ever "Young Entrepreneur Showcase". This cross-curricular program was delivered in only 16 classrooms across NB and 2 of those rooms were at NSER. Teachers Troy Cabel and Elaine Foran walked the students through the motions of becoming a real young entrepreneur by creating a product, developing a detailed business plan, money plan and developing their marketing skills. The showcase was a huge success with 85% of the students completely selling out of their product. Once the students paid back their loans, they then donated 10% of their profit to a charity that was decided upon between the two classes. It was decided that the charity would be local and benefit the surrounding areas of the school. A cheque was presented to the

"Cobras Care" initiative in the amount of \$120. The money will go towards adopting a family at Christmas, paying sports fees or any way of helping out a fellow Cobra.

CONGRATULATIONS!

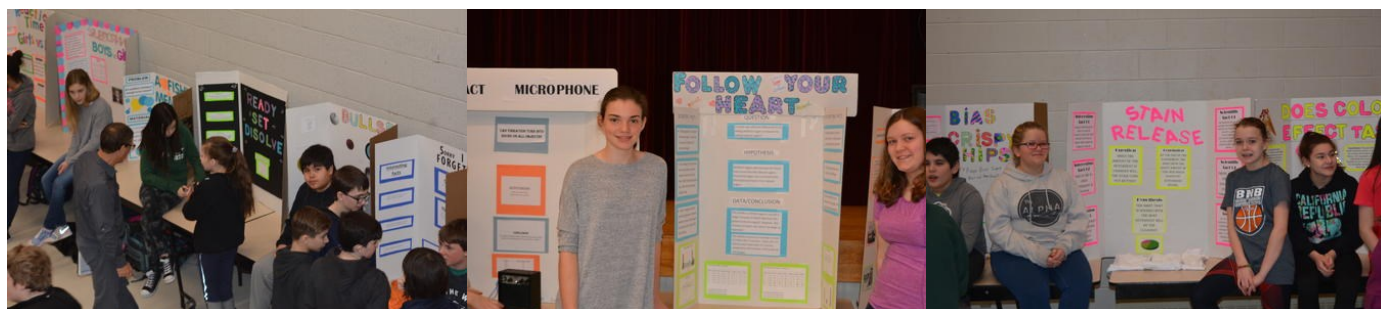

Kyra Silliker WAS selected as top business (grades 6 & 7) at the PowerPlay Young Entrepreneurs Showcase, held at UNB Fredericton on March 28th.

Reminder Grad Fee is \$75 and can be paid at the office.

Stem Fair Our Grade 7, Grade 8, and 10A students participated in our school STEM Fair on Wednesday, March 21st. Our students worked very hard on their experiments, innovations, and case study projects.

Reminder Volleyball Fees for Middle School & Senior - Boys & Girls Players are due by Friday, April 20th - Middle School \$50 and Senior \$100

DISTRICT STEM FAIR

Congratulations to all of our Cobras who took part in Saturday's District STEM Fair. Two of our Grade 10 students took home medals, qualifying them for provincials at UNB in April!
