

Semester 1 Exam Schedule

Date	Location	Supervisors		
		8:30 – 9:30	9:30 – 10:30	
Monday, January 19 8:30 to 10:30	Math 10 – Period 1	Room 181	K. Glynn	A. Murphy
	Math 10 – Period 2	Room 181	K. Glynn	A. Murphy
	Math 10 – Period 3	Room 110	F. Wilson	S. Ward-Cain
	Biology 112	Room 221	S. Verner	D. Mutch (9:30-10:00)
	Family Living 120	Room 180	L. Carney	T. Cabel
	English 122	Room 179	D. Silliker	C. MacDonald
	Tune-up and Emission 120	Room 139	B. Curtis	C. Russell
	Math 9A – Period 1	Room 238	T. Gouchie	D. Mutch (10:00-10:30)
Math 9B – Period 2	Room 224	B. Bell	C. Walsh	
Tuesday, January 20 8:30 to 10:30	English 9 (ELPA) – Period 2	Room 238	T. Gouchie	S. Ward-Cain
	English 9 (ELPA) – Period 3	Room 224	C. Russell	B. Bell
	English 112	Room 103	C. MacDonald	D. Silliker
	Health and Phys. Ed. 120	Room 180	L. Carney	T. Cabel
	English 113	Room 212	A. Murphy	S. Verner
	Mill and Cabinet 120	Room 136	B. Curtis	C. Walsh
Pre-Calculus 12A	Room 211	F. Wilson	K. Glynn	
Wednesday, January 21 8:30 to 10:30	English 9 (ELPA) – Period 2	Room 110	A. Murphy	D. Mutch (10:00-10:30)
	English 9 (ELPA) – Period 3	Room 224	C. Russell	C. Walsh
	Science 10 – Period 3	Room 221	S. Verner	T. Cabel
	Science 10 – Period 6	Room 212	K. Glynn	C. MacDonald
	Wellness through Phys. Ed. 110	Room 179	D. Silliker	L. Carney
	Pre-Calculus 12B	Room 211	F. Wilson	B. Curtis
	Entrepreneurship 110	Room 205	B. Bell	S. Ward-Cain
Culinary Technology 110	Room 238	T. Gouchie	D. Mutch (9:30-10:00)	
Wednesday, January 21 12:30 to 2:30	ELPR	Room 224	C. Russell	C. Walsh
	English 9 (ELPA) – Period 2	Room 110	S. Ward-Cain	D. Mutch
	English 9 (ELPA) – Period 3	Room 111	A. Murphy	D. Silliker
	Tourism 110	Room 225	T. Gouchie	L. Carney
Thursday, January 22 8:30 to 10:30	ELPR	Room 224	C. Russell	A. Murphy
	Chemistry 112	Room 181	K. Glynn	D. Mutch
	Environmental Science 120	Room 221	S. Verner	T. Cabel
	Internal Combustion 110	Room 139	B. Curtis	L. Carney
	Science 9 – Period 4	Room 205	B. Bell	T. Gouchie
	Science 9 – Period 6	Room 211	F. Wilson	C. Walsh
Thursday, January 22 12:30 to 2:30	ELPR	Room 224	C. Russell	S. Ward-Cain
Friday, January 23 8:30 to 10:30	English 10 – Period 1	Room 110	S. Ward-Cain	D. Silliker
	English 10 – Period 6	Room 111	C. MacDonald	C. Russell
	Fashion Design 120	Room 212	A. Murphy	B. Bell
	Foundations 110	Room 211	F. Wilson	C. Walsh
	Accounting 120	Room 179	D. Mutch	T. Cabel

North & South Esk Regional

January 2015

NSER Mission Statement

It is the mission of NSER to support and challenge students to meet and exceed their potential.

NSER Vision

NSER's number one priority is the intellectual development of its students and also giving priority to social, emotional and physical development.

NSER Cobras Care This Christmas

This Christmas students and staff at NSER took on the challenge of raising money and supplies to meet the wish lists of four local non-profit organizations – the SPCA, Miramichi Youth House, Miramichi Emergency Center for Women, and the Miramichi Community Food Bank. Each student was provided with these wish lists and was encouraged to find items at home that they could donate or find creative ways to raise money to purchase these items. The school held a pancake breakfast, sold tickets on gift baskets, had dress-up and dress-down days, sold Christmas treats, amongst many other great ideas. The goal was to develop in students a sense of compassion for those in need as well as an awareness of the needs right here in our city. The hope is that students will be compelled to make a difference year-round, and not just at Christmas time. Collectively the school raised thousands of dollars in goods and money to donate to these very deserving organizations. Teachers selected students who had shown particular enthusiasm in fundraising efforts to make the deliveries and, on December 17th, 30 students had the opportunity to visit these non-profit organizations and personally deliver the boxes of supplies. We consider this project to be a success and are inspired by the passion and enthusiasm of our students to lend a hand to those in need.

Grade 7 Girls will be getting their second vaccination of Gardasil on January 16th

Science Fair

NSER Middle School is hosting a Science Fair on January 23 from 9:00 am - 11:00 am in the gym. Everyone is invited to attend!

Sports Fees

During a meeting between a group of principals, the discussion of sports fees and grad fees came up. Grad fees at most of the schools were \$150 and that didn't give the graduate anything other than their name in the program. Sports fees ranged from \$1300 for Sr. Boys Basketball to \$250 for soccer. So I thought I would give you folks an idea of where your \$100 sports fee goes to. Here is a snapshot for Sr. Girls Soccer. We had 18 girls at \$100 each - \$1800 to get us through the season. Our expenses were Equipment (\$248.76), NBIAA Fees (\$163.25); Referees (\$275); and Tournament Fees (\$1,112.99). So in the end we broke even. Many of our teams go in the hole by about \$100 and the school has to pick up that extra cost which in turn makes us have to up the fees for the following year. It is my goal at NSER to make sure that we break-even. I am not looking to make money off my teams but I have to make sure that the teams can cover their costs.

Dean Mutch, Principal

LET'S MAKE SOME NOISE!

Mini Cow Bell \$4

Foam Finger \$5

TURN AROUND DAYS

Reminder to Students in Grades 9-12 Turn Around Days (no school) will be Monday, January 26th and Tuesday, January 27th - Returning to school on Wednesday, January 28th.

Exchange Students

NSER's students and staff would like to wish our exchange students all the best as they return home at the end of the month. Hianca Cavalcanti, Isadora Silva (Brazilian); Stefan Noppeney (German) and Mustafa Araci (Turkey) have been with us since September. Thank you for being part of our NSER family!

Exciting News for NSER ... As you may have already read, NSER is now a SAT Testing Centre. But what are SATs? The SAT is a globally recognized college admission test that lets you show colleges what you know and how well you can apply that knowledge. It tests your knowledge of reading, writing and math — subjects that are taught every day in high school classrooms. Administered by The College Board, the SAT and AP exams are key for gaining acceptance to American universities. Most students take the SAT during their junior or senior year of high school, and almost all colleges and universities use the SAT to make admission decisions. But SAT scores are just one of many factors that colleges consider when making their admission decisions. High school grades are also very important. In fact, the combination of high school grades and SAT scores is the best predictor of your academic success in college. Many colleges use the SAT Subject Tests for admission, for course placement, and to advise students about course selection.

Facts:

- *The SAT tests your abilities in three areas: **reading, writing** and **mathematical reasoning**.
- *The test consists of several **multiple-choice questions** and an **essay**.
- *A score of **200-800** is given in each section, providing a maximum score of **2400**.
- *The test takes about **4 hours** to write.

NSER Values

The intellectual, emotional, physical, and social needs of each child will be developed to his/her fullest potential.

Expectations for students will be age appropriate and pedagogically based.

A spirit of cooperation will be fostered among students, staff, and community.

All students and staff will show respect for students, staff and the campus.

All students will be encouraged and given the opportunity to participate in extra and co-curricular activities.

A high moral standard will be exemplified by the staff, and expected of our students.

Year Books

\$50

Grade 7 & 8 Academic Incentives

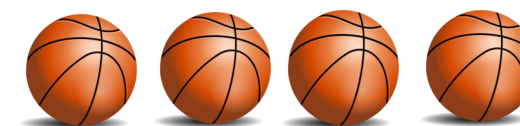

If a student misses 3 classes or fewer a month they will be given one "high school lunch hour". What this means is, providing we have written permission from a parent/guardian, the child can leave school property to go to the Irving or have the freedom to travel throughout the school and not be in the designated lunch areas.

The afterschool drama club presents their production of "Totally Awesome 80's" on January 28, 29, 30 at 7pm for a cost of \$5/night or \$12 for all 3 nights. Come out and enjoy our fun-filled tribute to the 1980s! With nods to iconic 80's teen movies and celebrities and a rockin' score that captures the hit sounds of the decade, this is a performance you won't want to miss!

Middle School Girls Basketball Game Schedule

Wednesday, January 14th	Blackville @ NSER 6:30
Tuesday, January 20	NSER @ Nelson 5:00
Monday, January 26	Harkins @ NSER 6:30
Monday, February 2	Dr. Losier @ NSER 6:30
Wednesday, February 11	NSER @ Blackville 4:30
Monday, February 16	Nelson @ NSER 6:30
Wednesday, February 18	NSER @ Harkins 4:00
