North & South Esk Regional

January 2018

NSER Mission Statement

It is the mission of NSER to support and challenge students to meet and exceed their potential.

NSER Cobras Care This Christmas

This past Christmas, students and staff at NSER took on the challenge of raising money and supplies to meet the wish lists of 3 local non-profit organizations – the Miramichi SPCA, the 4 Community Food Pantries established by Kindertots Daycare in Miramichi, and 2 families through Early Childhood Intervention.

The goal was to develop in students a sense of compassion for those in need as well as to develop an awareness of the needs right here in our community. The hope is that students will be compelled to make a difference year-round, and not just at Christmas time.

Each student was provided the wish lists and was encouraged to find items at home that they could donate or find creative ways to raise money to purchase the items from the wish lists. Students also sold tickets on a 2017 World Juniors Team Canada hockey jersey. All money raised on the jersey was donated equally to the 3 organizations. The winner of the jersey was Lori Ann Esty.

Approximately 116 items plus \$150 was donated to the Miramichi SPCA.

Approximately 200 items plus \$150 was donated to the Community Food Pantries.

Many gifts, a microwave, and \$225 were donated to one family.

Approximately 130 items and \$75 was donated to a second family.

Teachers selected students who had shown particular enthusiasm in fundraising efforts to personally deliver the supplies and money. On the morning of December 21st, students had the opportunity to visit the SPCA and Kindertots Daycare, as well as fill 3 pantries around the city.

On the afternoon of December 21st, two Early Childhood Intervention workers came to the school to collect the items and money for the 2 families.

We consider this project to be a huge success and are inspired by the passion and enthusiasm of our students.

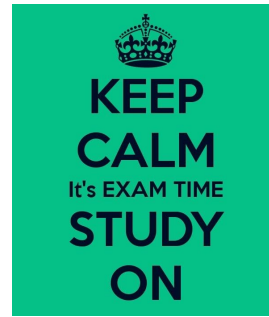

WE NEED YOUR HELP!

NSER is preparing stress relief packets for our high school students on the first day of exams. We would like to add a note from someone at home encouraging your student as they begin this most stressful time.

Your note can be dropped off at the school or emailed to nser@nbed.nb.ca

Together we can make exam time a more relaxing time for our students.

COBRA WINTER TOQUES

Cobra Hats For Sale

\$15 each

TURN AROUND DAYS

Reminder to students in Grades 9-12 Turn Around Days (no school) will be Monday, January 29th and Tuesday, January 30th - Returning to school on Wednesday, January 31st. In the event of a snow storm exams move ahead one day.

**Reminder Basketball Fees for Middle School & Senior - Boys & Girls
Players are due by Friday, January 26th - MS \$50 and Sr. \$100**

Bell Let's Talk Day – January 31 NSER will be joining the conversation around Mental Health

Many people living with a mental illness report that negative stereotypes about mental illness, and the resulting potential for discrimination, causes them more suffering than the illness itself. As a result, two thirds of those suffering from mental illness are too afraid to seek the help that they need.

Mental illness affects people of all ages and from all walks of life. It can take many forms, including depression, anxiety and schizophrenia. Most individuals find ways to live with their illnesses but how they are treated by others often proves to be more of a challenge than the illness itself.

On Bell Let's Talk Day, January 31 we are joining the conversation around mental health.

Stigma surrounded many diseases in the past, but concerted efforts to confront these attitudes resulted in change for the better, including better treatment, more funding for research, and greater understanding from family, friends and colleagues. The goal is to achieve the same level of acceptance and understanding regarding mental illness.

On Bell Let's Talk Day, Bell will contribute 5 cents to mental health related initiatives for every text message sent, and mobile and long distance call made by Bell and Bell Aliant customers, every tweet and Instagram post using #BellLetsTalk, view of the official Bell Let's Talk Facebook video and use of the Bell Let's Talk geofilter on Snapchat.

You can also learn more about the [five simple ways](#) to end stigma and download the [Bell Let's Talk toolkit](#) and begin your own conversation about mental health at home, school or in the workplace.

Join us as we work together to break down the stigma that surrounds mental illness.

NSER and Miramichi Community Food Bank Awarded \$50,000

News Release Education and Early Childhood Development Tourism, Heritage and Culture

Canada 150 High School Legacy project recipients announced

FREDERICTON (GNB) – Funding grants totaling \$500,000 have been awarded to eight high schools as part of the Canada 150 High School Legacy project.

"This project is intended to inspire our young people to act on a social issue in conjunction with a non-profit organization," said Education and Early Childhood Development Minister Brian Kenny. "Congratulations to all of the students taking part for their passion and willingness to help others."

Grade 9-12 students were invited to submit a proposal that addresses a community and/or provincial issue that provides an opportunity to reflect their school's commitment, capabilities, and actions as a member of the community. The successful recipients will work with a non-profit organization to complete a project.

The top project selected to receive \$150,000 was submitted by Polyvalente Thomas-Albert and Club Richelieu: "LaForest en Action!" Seven other schools and their partners will receive \$50,000 for their projects:

- Cambridge-Narrows Community School and Cambridge Home and School Association: The Tamarack Gardens;
- Grand Manan Community School and Eastern Charlotte Waterways Inc.: Clean, Green Grand Manan;
- Cité des Jeunes A.-M.-Sormany et le secrétariat de la jeunesse d'Edmundston: Place des jeunes – Un endroit sécuritaire où bouger, étudier, relaxer;
- Centre scolaire Samuel-de-Champlain et la fondation Samuel-de-Champlain Inc: Classe extérieure du projet CENA;
- École l'Odyssée et Food Depot Alimentaire Inc. : Jardin de l'Olympe;
- North and South Esk Regional High School and Miramichi Community Food Bank: NSER Community Farm: Helping Cobras Grow;**
- Woodstock High School and Meduxnekeag River Association Inc.: School Climate Action Adaptation and Implementation.

"This Canada 150 project is an opportunity for our high school students to become more engaged in their communities," said Tourism, Heritage and Culture Minister John Ames. "I encourage all New Brunswickers to continue celebrating Canada's 150th anniversary and our rich culture."

The government's 10-year education plans aim to improve educational outcomes and better prepare young people for the future. They set objectives in priority areas to create lifelong learners, support educational leaders and bring stability to the system. Fostering leadership, active citizenship and an entrepreneurial mindset in order to develop socially responsible citizens who feel connected to their communities are included among the objectives of both plans.

Exam Week Grades 9-12 - Monday, January 22 - Friday, January 26

Invitation to Join our Community Garden Planning Committee

All community members are welcome to join our Community Garden Planning Committee. Although we invite experienced gardeners, we welcome anyone willing to lend a hand (no experience is required). The meeting will be held at NSER on Thursday, February 1 at 6:30 pm in room 179. Please pass this along to anyone who might be interested.

Exchange Student

NSER's students and staff would like to wish our exchange student Johanna, all the best as she returns home at the end of the month. Thank you for being part of our NSER family! Johanna displayed great Cobra pride by participating in sports, clubs and activities during her stay with us.
