On behalf of Sea The Right, Paige Matchett and Ashley White would like to extend their greatest appreciation to all staff, students, and community supporters who have made their achievements possible.

The girls were able to raise over \$2,000 for the Canadian Whale Institute in Campobello, NB. We would like to announce that Sea The Right will be continuing as an NSER organization, run by younger students for years to come.

## NSER Drag Team

On May 18<sup>th</sup> and 19<sup>th</sup>, the NSER Drag Team competed in the Miramichi Dragway High School Challenge against other high schools from around the province. It was a great weekend of racing down the strip and working on the two vehicles, a 1974 Pontiac GTO and a 1981 Ford Ranger.

The weather was in our favour and ended with Evan Matchett burning some rubber and making some smoke in the burn out competition. After a lot of hard work and sweat to get the Ford truck mobile, Evan Matchett was awarded the "Hard Work" award from the competition.

Tyra Jardine was pretty hard to beat with her bang on reaction time in the GTO and was awarded "Best Reaction Time" for the whole competition.

Also, a big shout out to Nicole Lee who hung around the track with us and shared in the fun. Thank you to Elaine Foran, Danny & Paula Matchett for taking this on yet again this year. A lot of time and patience really makes a difference.

This weekend would not have been possible without our sponsors, so one big shout out to them: Best Price Auto, ClearSight Auto Glass, Danny's Roofing, Fabcor Custom Fabrication, Lounsbury's Miramichi, Mike's, Napa, NBCSA, Sign Warehouse, R. Tozer Construction, White Lightning Automotive.
