

North & South Esk Regional

May 2018

NSER Mission: It is the mission of NSER to support and challenge students to meet and exceed their potential.

NSER Vision: NSER's number one priority is the intellectual development of its students and also giving priority to social, emotional and physical development.

NSER Values: The intellectual, emotional, physical, and social needs of each child will be developed to his or her fullest potential. Expectations for students will be age appropriate and pedagogically based. A spirit of cooperation will be fostered among students, staff, and community. All students and staff will show respect for students, staff and the campus. All students will be encouraged and given the opportunity to participate in extra and co-curricular activities. A high moral standard will be exemplified by the staff, and expected of our students.

Community Garden Volunteer Day

In December, NSER won the Canada 150 Student Legacy Grant in support of the Miramichi Community Food Bank. With these funds we are expanding our Community Garden and building a Four-Season Greenhouse and **WE NEED YOUR HELP.**

The Ville Cooperative has partnered with NSER and, with their background and experience in community development, will lead us in building our garden.

Your role? We need volunteers:

- carpenters (and carpenter assistants)
- electricians
- plumbers
- labourers to lay cardboard (the base of our garden) and to shovel & rake

Our complete project includes a four-season greenhouse, garden shed, raised garden beds, and a water catchment system.

The date for our Volunteer Day will either be the first or second Saturday in June. We will get the word out when it is finalized. This is a community project to support those in need in our community.

We look forward to seeing you in early June!

NSER SAFE GRAD FUNDRAISER

The Sunny Corner General Store is partnering with NSER to support this year's Safe Grad. From March 19 to May 31 for every litre of gas sold at the Sunny Corner General Store 2¢ will be donated to Safe Grad. What a great way to raise some money for this great cause! There will be a box set up at the Irving - be sure to put a copy of your receipt in the box so that the total liters can be tallied.

Buy your gas at Sunny Corner General Store
and support NSER Safe Grad 2018

CARDBOARD NEEDED

For the next month NSER will be collecting cardboard for our community garden project.

If you have any large, appliance-sized cardboard boxes, please drop them off at the school.

NSER Cobras Care

Recently NSER Students participated in "Hat Day" for Autism Resources raising \$200 for the organization. Our Grade 12 Culinary Technology students also participated in a fundraiser and donated almost \$100 to the Miramichi Food Bank. **Go Cobras!**

A Message to our Cobras from Autism Resources Miramichi ...

Thank you to all the staff and students of NSER for your participation in Hat Day! Your donation will help us to continue providing programs and services to families living with Autism in Miramichi and area!

In the picture is Kelsey Nowlan (right), staff of ARM Book Nook, and NBCC student Emily Sharpe of the Child and Youth Care Worker program doing her practicum at Autism Resources.

A Message from the Food Bank Clown ...

The Miramichi Food Bank would like to say "Thank You" to the Grade 12 Culinary Technology class for their donation.

It is very much appreciated.

THANK YOU!

EMPLOYMENT OPPORTUNITY

Program Assistant - Must Have SEED Voucher To Apply
Position will be based at the NSER Community Garden

Assist the Community Food Access Coordinator and partners with community action programs, such as community gardens, the Fresh4Less good food box program and Local Food Week in the greater Miramichi area.

Build online conversation across Roots To Table's social media platforms and create content that further sparks discussion and engagement.

Bring your community food ideas for change to a fund, action-oriented network of individuals and organizations working to increase access to healthy, affordable, and local food. Be passionate about food security, local food and/or community development. Excellent verbal and writing skills in both French and English considered an asset.

Congratulations to our NSER After School Drama Group on their fantastic performances!

It was a full house each night and there were many wonderful comments about the talent, choreography, singing, and just overall fun that this play packed into a night!

Mrs. Holmes would like to say thank you to all who had a part in this year's performance. Whether it was a small role or a large one, nights like these just don't happen with one person, everyone worked hard and great results were the reward!! You all made NSER very proud! Good luck as you head to DramaFest.
