## WALK-A-THON

Two years ago we brought back a NSER tradition, the walkathon.

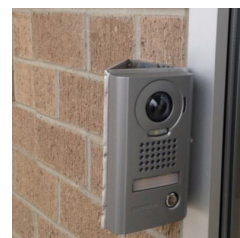

We successfully raised almost \$10,000. This money replenished much needed gymnasium

equipment; topped up school based funds; jump started the breakfast program and much more.

We wanted the walkathon to become something the students looked forward to, so we decided to do it every 2 years. September 29th we will be doing our walkathon and we would love to have your support.

When students come looking for pledges, please give generously to support your school!

## All Doors Locked

All doors at NSER will be locked at 8:30 am.

All students and visitors must buzz in after that time. We have a new security system at the front doors. When you arrive at

NSER, you will see a silver intercom box on the far left of the main doors. Just press the button and someone will buzz you into the school.

There are brief times during the day when there is no one in the office to buzz in. Visitors may want to call ahead.

## Meet the Teacher

### PSSC Elections - Home & School Elections

Wednesday, September 17th  
6:30 pm

#### Home & School Elections

There will be a draw for all new members \$100 Gift Card (Dinner & Gas) **MUST BE PRESENT TO WIN**

## STOP BULLYING

Bullying happens! It happens here, at home, at friend's houses, everywhere. Bullying happens when there is an **imbalance of power**; where someone

purposely and **repeatedly says or does hurtful things to someone else**. Bullying can be considered illegal. If your son or daughter has received a threat, assault, theft, harassment, sexual exploitation (videos or pictures showing nudity of people under age 18) or a hate crime please contact the RCMP.

## Soccer Fields

We have received \$100,000 to develop two soccer fields. We will be tilling, leveling, hydro-seeding, and fencing two soccer fields over the next few months. We will also be adding bleachers and players benches. This is very exciting for not

only both NSEE and NSER but the community as a whole. I would like to thank those who have contributed to this major project.

Volunteers are vital to the success of NSER. We appreciate you giving of your time and expertise to our students either through coaching, organizing, or extra-curricular activities. Being part of NSER's team requires that volunteers perform the following checklist before engaging with students:

Complete Policy 701 training, Protection of Pupils in the Public School System from Misconduct by Adults. A Criminal Record Check. This can be obtained at the Blackville RCMP office. Complete a Volunteer Screening Declaration Form. This can be picked up at the main office of NSER.

## Immunizations

September 24th is Immunization Day for grades 7 and 9. All Grade 7 students will receive the whooping cough vaccine (Tetanus-diphtheria-whooping cough).

All Grade 7 girls will also receive the three doses of HPV vaccine over a six-month period.

All Grade 9 students will receive meningococcal vaccine (Menveo). Consent forms will be sent home before this date.

## from the Superintendent's Desk

Welcome to the 2014-2015 school year. We are so pleased to have your children entrusted to our care. I would like to acknowledge and thank District Office and school staff for their professionalism and dedication. I am proud to be the Superintendent of Anglophone North School District!

There are wonderful opportunities happening for students in all of our schools across this diverse and geographically vast district. We continue to focus on achievement and global competencies in an inclusive and safe environment. Our teachers are working collaboratively to ensure that student success is realized for all.

Parents and guardians, I encourage you to become as involved as possible in the education of your children. We have been fortunate to be able to rely on a solid body of volunteers and will continue to do so. Please keep in touch with your child's teachers and principal. Rest assured that we are centered on what is important - your children. Together, we will strive to ensure that education in our school district is second to none.

Wishing you all a safe, happy and productive school year!
