## June 2015

### NSER Mission Statement

It is the mission of NSER to support and challenge students to meet and exceed their potential.

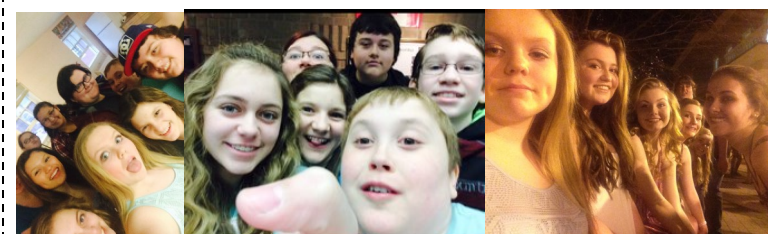

### NSER Vision

NSER's number one priority is the intellectual development of its students and also giving priority to social, emotional and physical development.

### After School Drama

NSER's Afterschool Drama Club attended the New Brunswick Drama Festival at St. Thomas University in Fredericton on May 8-9. It was an awesome weekend of plays and workshops and lots of memories were made. They performed their play "Totally Awesome 80's" and received the following awards: "Outstanding Choice of Material", "Special Adjudicator's Mention: Ensemble Singing", and "Outstanding Actor: Mackenzie Silliker".

Congratulations to the cast and crew on a job well done and a big thank you to everyone who has supported our drama program!

### Dream Catchers

The NEAT Committee hosted dream catcher workshops starting in February, every Tuesday during study block for those students who were interested. This initiative was a great success and will continue into the 2015/2016 school year. Some students donated their dream catchers to be proudly displayed in the school library.

### Congratulations James!

Congratulations to James Miller, who was selected as NSER's 2015 recipient of the "Turnaround Achievement Award". Well deserved recognition for a student who has shown us all that anything is possible with a little hard work!

### Year Books!

The 2014-2015 Yearbook will be arriving soon. Limited copies available \$50 each. Don't miss out - See Mrs. Gouchie to reserve your copy.

I want to thank all the parents and guardians who have supported the staff and students of NSER this past year. Have a safe and enjoyable summer vacation. Mr. Dean Mutch

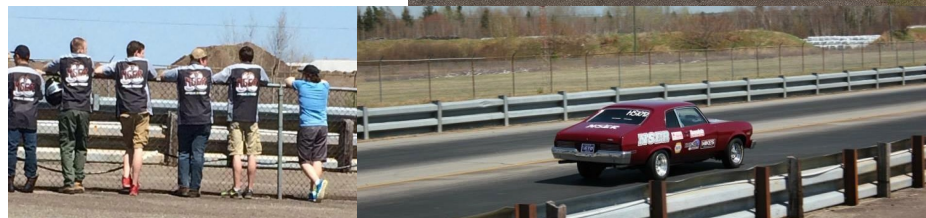

## NSER Drag Team

NSER attended the 2015 Provincial High School Drag Races again this year at Miramichi Speedway on Yay 15th and 16th. James Peter Paul was chosen by the grade 12's to be their team driver. James did very well and finished the races with the award for best reaction time. We had a few problems with switches and tires but were able to run each race.

We would like to thank the team, volunteers and sponsors for supporting our team this year. Our grade 11s are already excited about next year. It is a great event and the students really learn a lot about cars and racing.

Special Thanks to our 2015 Sponsors: Danny's Roofing, NSCSA (Roy Silliker) R. Tozer Construction, Mike's, NAPA, Courtesy Convenience, Great Canadian Dollarstore, Donnie's Collision, Trevors Hyundai, Lounsbury Automotive

## Adventures in Citizenship Sponsored by The Newcastle Rotary Club - Alexa Mutch's Adventure

I had the privilege of attending this year's Adventures in Citizenship program in the capital of our country, Ottawa. Before I embarked on my journey, I knew nothing about Ottawa. My host family was incredibly generous and, though I met many of the 200 kids in the program, it was 6 girls that became my closest friends. We participated in a lot of activities, including spending the first night in Quebec square-dancing, which was my favorite night of the whole trip, and visiting many local attractions. We also got to tour the Parliament Building and observe a seating in the House of Commons. Not only did we tour Ottawa, but we also listened to several inspiring speakers, including some Canadian diplomats and an Australia diplomat. There were many other highlights such as, hanging out with all the amazing people involved in the program, a talent show, and the closing dance.

Overall, I had the trip of a lifetime! Not only did I get to learn so much about our nation, but I got to make friends from all across the country. I could not imagine how my trip could of gotten any better until they announced my name at our closing banquet. I was stunned to hear that I had been one of the three students to receive a scholarship sponsored by the Rotary Club of Ottawa. I was already so privileged to have this experience; I never expected to get anymore. I had an amazing time and from the moment I said goodbye to everyone, I already missed it. I hope students from NSER's Rotary Club have the opportunity to attend in the future and enjoy it as much as I did. By Alexa Mutch

## Middle School 50/50 Draw

We are still looking for the winner of the 50/50 draw. **Winning number is 674.** Please contact the school if you have the winning ticket! A special Thank You to all of those who helped and purchased tickets on the 50/50 draw. This will help the Middle School Students visit the Acadian Village on June 11.

## NSER We School News

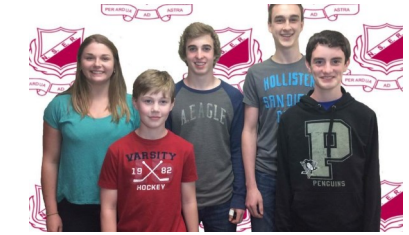

We School has sponsored a teacher in Haiti for the last 9 months. They have raised \$180 a month via various fundraiser. Great work!

50 Goats and 4 clean water package for life were donated last month to Free the Children! The We School group went over and above the goal for this year!!

Thanks to all the students and friends of the NSER WE School, we had a very successful year!
